My thanks to all of you who have already migrated over from ParishSoft Giving to GiveCentral. If you are a recurring donor you would have all received an email from me (Katy McKinnon) with a personal link that is prepopulated with almost all of your information from the existing platform, except for your personal financial information. To complete the process you will need to fill in your personal financial information and confirm your donation. There will be additional instructions with the email, but if you have any questions please feel free to contact me in the office at 406.542.0321 or by email kmckinnon@sfxmissoula.org. Once I see that you have signed up under Give Central, I will cancel your old donation under ParishSoft. I am watching the GiveCentral donor site closely for when you sign up, or if you would prefer you can email me as soon as you migrate and let me know to discontinue it for you. **For those of you who make One-Time donations please know the ParishSoft link will no longer be available for donations on our website and you will now need to use the GiveCentral site.** Thank you for your patience and as always we appreciate your financial support of our missions here at St. Francis Xavier.
