**Enjoy a recent VOX SFX podcast with Fr. Victor on the topic of The Trinity! -**  
*'The Trinity is one of the most fundamental of Christian concepts. It is also one of the hardest to describe, as it is one of our deepest mysteries. It seems the more one tries to define it rationally, the concept moves farther away. It defies logic, but the attempt of understanding remains essential and eternal. Fr Victor joins Nicholas as we attempt to unravel this most sacred of mysteries.'*
